

## Military and Overseas Voters

U.S. citizens residing abroad and members of the military, spouses and children should contact the Federal Voting Assistance Program. A request can be made for a ballot by completing a Federal Post Card Application (FPCA) Standard Form 76A. FPCAs may be obtained by eligible voters from voting assistance officers within their branch of service, from a U.S. consulate or embassy, or from the Federal Voting Assistance Program website at [www.fvap.gov](http://www.fvap.gov). For more information, you may call the Federal Voting Assistance Program at **1-800-438-VOTE**.

Military electors and overseas electors are not required to register; however, the FPCA serves as both a voter registration application and an absentee ballot request.

When the FPCA is complete and contains a Town of Menasha address and the applicant's signature, mail, fax or e-mail:

Town of Menasha  
Town Clerk's Office  
2000 Municipal Drive  
Neenah, WI 54956  
E-Mail: [clerk@town-menasha.com](mailto:clerk@town-menasha.com)  
FAX: (920) 720-7112\*\*

**\*\*NOTE:** If the Federal Post Card Application is submitted by FAX or e-mail, the original application, which must include an original signature from the voter, must be submitted by mail to the Clerk's office by **no later than 5 pm on the Friday before the election**. The FPCA does not require a witness. The original application may be submitted with the absentee ballot.

Wisconsin law requires ballots be returned by mail; the law does **not allow ballots to be returned by fax**. If you do not have a return envelope, print off the postage-paid envelope template at: [www.fvap.gov](http://www.fvap.gov) and secure to a No. 10 size business envelope.
