Garbage & Recycling Calendar Notes

- Garbage is collected every week. Recyclables are collected every other week on garbage day.
- Visit our website or call the street department to determine if your recyclables are picked up on “A” or “B” weeks.
- Place your carts out the night before collection day to avoid being missed!
- HOL = No pick up on that day. All collection days on the HOL and after the HOL will occur a day later.
- HHW = Household Hazardous Waste Clean Sweep Program - see page 8 for details.
- Yard Waste Collection, Chipping Collection, Leaf Collection, Christmas Tree Collection occur on your garbage day as shown on the calendar - regardless of recycling “A” or “B” weeks.
- PLEASE NOTE: Last leaf collection for 2012 will be the week of November 26 on your garbage day.

Winter Notices

No Overnight Parking: November 1 through April 1 between the hours of 2:00 a.m. and 5:00 a.m. If there has been a significant snow fall, please do not park your vehicle on the road until the snow plow has had a chance to plow the road. Your cooperation is greatly appreciated!

Depositing of Snow on Public Right of Ways: No person should deposit any snow or ice upon the traveled portion of any sidewalk, alley, road or street of the Town of Menasha. This also includes drainage ditches and/or road ditches.

Sidewalks to be kept Clean: The owner and/or occupant of any lot or parcel in the Town abutting upon a public sidewalk should, within 24 hours after any snow storm, remove any accumulated snow or ice from the portion of the sidewalk abutting his/her property.

Mailbox Damage: Mailboxes are NOT intentionally knocked down. If this should happen, the snow plow driver has been instructed to make every attempt to pick up the mailbox and any mail and place it on the snow bank. The Town of Menasha Municipal Code does not allow for replacement or repair of any such items within the right-of-way where loss, damage, or injury to such items is a result of Town operations. This includes maintenance, snow plowing, and construction or reconstruction of roadways or ditches. Often, mailboxes are knocked down by the weight of the snow being discharged from the plow and not directly by the plow. Our apologies if your mailbox is inadvertently damaged this winter.

Please remember to use **EXTREME CAUTION** and patience while approaching or following any snow removal vehicle.

- ✓ It is **illegal** to follow a snow plow closer than 200 feet on roads with a speed limit of more than 35 mph if the snow plow is engaged in snow and ice removal.
- ✓ Snow removal vehicles may have to slow down, stop or back up, so move your vehicle to the left side of the lane so the snow plow driver can see you in the mirror.
- ✓ Passing a snow plow is **not** recommended.

Please visit the Town of Menasha’s website to view our Snow & Ice Control Policy.

Christmas Tree Pick Up

Week of January 9, 2012

Discarded Christmas trees will be picked up the week of January 9th **ON YOUR GARBAGE DAY.**

- Please do **NOT** place your Christmas tree at the side of the road more than 48 hours prior to pick up.
- Please have the “cut end” towards the road for easier pick up.
