

EXPIRED OR UNWANTED MEDICATION COLLECTION

- Medication strength changes over time and is not typically safe after one year.
- Recent studies show measurable amounts of medication have been found in drinking water and wildlife due to flushing or throwing away medications.
- You can make a difference to:
 - Improve water quality in Lake Winnebago
 - Reduce drug-related crime
 - Prevent prescription drug abuse
 - Prevent accidental poisoning, especially in children and pets

Please use these medication drop-off locations to properly dispose of expired or unwanted human and pet medications in the form of pills, capsules, ointments, liquids, sprays, drops, creams, inhalers, or any other drug no longer needed for its intended use. Both prescription and over-the-counter medications will be accepted.

Medication MUST stay in its original container.

There is no charge to participate!

The medication drop boxes are available 24 hours a day, 7 days a week, 365 days a year:
