

Town of Menasha Friends of the Park

Friends of the Park was established as a way for businesses and individuals to make donations to the Town of Menasha Park System. The Park Department must stay within the limits of its budget and there is always a need for additional resources to take on special projects.

The parks have been an integral part of the community and are used throughout the year. This is a wonderful benefit to our community, where improvements and long range planning are an ongoing process.

Through the generous donations of *Friends of the Park* sponsors, we have been able to undertake project that might still be on the “back burner.”

We THANK all of our Park Friends, past and present, and look forward to your continued support.

**A donation can be made to “Town of Menasha Parks Department.”
You may specify a particular use for your donation or have it
designated for general use.**

Please send your check to:

**Town of Menasha Parks & Recreation
2000 Municipal Drive
Neenah, WI 54956**

THANK YOU!!
