Town of Menasha Memorial / Recognition Giving Program

Specially designed memorial with planting, tree, bench, brick pavers and plaque.

Our vision:

“to positively impact and touch the lives of the community we serve”

Park Partnership Opportunities

This is your opportunity to recognize or memorialize someone special while contributing to the beautification of the overall Town of Menasha Park and Recreation system. Leaving a legacy for future generations to reflect and ponder on is part of leaving a piece of history for others to learn from.

Bench with Plaque

May We Suggest...

Tree Dedication

A 1.5-2" deciduous tree (i.e. maple, oak, hickory, etc.) will be planted in a mutually agreeable location (within a town park or along the trail) with a 3"x 5" in-ground stainless steel plaque recognizing donor. Trees are ordered in summer and planted in fall of each year.

Decorative Bench

The decorative benches are made of galvanized steel and PVC coated with mutually agreed upon color and installation location. Partners will be recognized on a 3"x 5" engraved affixed plaque. Ordered during late winter and installed by early summer.

Swing Bench

These PVC coated colored swinging benches are specifically located throughout the park system. Partners will be recognized on a 3"x 5" engraved affixed plaque. Ordered during late winter and installed by early summer.

Comfort Station & Decorative Landscaping

These galvanized colored roof shelters give individuals an opportunity to rest while at play. Either located along the trail or in a park, this will make a beautiful addition to the park system. Partners will be recognized on a sign made from recycled plastic and affixed permanently to the shelter. Completed within 6-9 months of confirming partnership.

Larger gifts and/or endowments

For those wishing to enter into a larger or ongoing partnership with the Park and Recreation Department, we have set up a fund at the Community Foundation of the Fox Valley. Partnerships may include naming of a park shelter, becoming part of a specific redevelopment or new park project, program sponsorship, or an endowment fund to maintain park and open space resources for future generations.

Due to the specific nature of memorials and recognition, we ask that you contact us for a consultation to discuss the options avail-

All partners who have generously given during the previous year will be recognized during an annual reception held each fall.

Tree Dedication
